Janette,
Your gift of hospitality and acceptance of people where they are is a testimony of the work of the Lord in your life. Remembering "music" and RBI, Senior pics and more will be a treasure for me. Thank you for your love and encouragement. You are missed.

Janette, you make me smile. You,er the wonderful cousin that I looked up to. I appreciated your willingness to teach others how to can and make yummy home made goodies. Thanks for shining for Jesus. Know you will be missed. But have fun in heaven with Grandpa and Grandma Kauffman, Uncle Erv, Uncle Gerald, Aunt Fern and Dad. But most importantly Praising our Lord Jesus Christ. Love you
