“ Dear Jan...I was saddened to hear of the passing of your mom. I do not get the paper and just happened to see the obituary at Attrells website while searching for someone else. I feel very blessed to have known your mom and to have been able to attend to her hair needs for so many years. She was a very kind and caring and thoughtful woman. I know you will miss her dearly. I had her on my mind this past week as I knew she had a birthday coming up and I was trying to figure out how old she would have been. I will always remember her fondly! I will also keep you in my prayers because I know that even if our parents are older it is hard to let them go. She will be missed but what a delight she was while she was here. Blessings to you and yours. Judy Turpen
