“ May God wrap his arms around you and hold you close during this time of grief and sadness. Carolyn and I went to school together at Greenleaf Academy and sometimes she would stay overnight at our home in Greenleaf when there was a special event at the school. While we lost touch over the years, I was able to visit with her at the 100th anniversary at Greenleaf 4th of July festivities. It was like old times. She was a special lady and will be missed so much by all who new her.
Sincerely, lone Hunt

“ My thoughts and prayers are with you and sorry to hear about the loss of your mother. I worked with her at the "old" First National Bank in downtown years ago and we have kept in touch at least once a year from then. I know that you will all miss her terribly but she will be watching over you. Sincerely, Cheryl Gardner
