

David Paul Platt

November 2, 1972 - December 3, 2018

Jesus called his son, David Paul Platt, Home on December 3, 2018. David was born in Anaheim, California on November 2, 1972 and has called the Pacific Northwest his home for over 30 years.

David was an avid inventor and a master of his craft, with a God-given gift for science. He was an invaluable contributor to Microsoft, Xerox, and Tektronix. With a Bachelor's in Science from Washington State University, Engineering may have paid the bills, but David's passion was for family, friends, going FAST, his WSU Cougars, and our Lord Jesus Christ.

Family was always on David's mind and he is survived by his loving wife Shirley Platt; daughter Alixandra Platt; son Tristan Platt; four step-children, Benjamin, Abbie, Shelby, and Logan Henry; his brothers Daniel Platt and Jonathan Schneider; his sisters Amie Tadla and Crystal Schneider; his loving parents Mark Platt, Rainy Schneider and Joseph Schneider and a host of loving aunts, uncles, nieces, nephews, grandparents and cousins. A Celebration of Life will be held at Attrell's Funeral Chapels located at 207 Villa Road in Newberg, Oregon on Thursday, December 13, 2018 at 11am.

Many have asked, "What can we do to help?" Please consider a donation to Suicide Prevention in David's name: <https://suicidepreventionlifeline.org/donate/>.

“ David Platt was my very best friend on this earth. Never before have I met a person so accepting, brilliant and kind. We shared so many passions, ideas and understandings. I knew what he was going through but unfortunately, I didn't realize how bad the situation was. He helped me through hard times in my life and I did everything I thought I could do to help him with his. I can see his face, hear his voice, and I will never forget him or what he meant to me. The only comfort I have in this whole terrible situation is that his pain is now gone and he is now free. I will see him again someday. Love you David.

“ Throughout my life I was admitted to the hospital dozens of times; David was always one of the first people to give me a surprise visit to cheer me up, or a quick phone call to check on me. He seemed to always be in good spirits no matter what the situation or occasion. I will never forget the chaotic firework show we put on at my sisters wedding and I will never forget the words of hope and encouragement you always seemed to have for me when I was not at my best.

Thank you, David.

“ David was a great friend. All I have are great memories of all the good times I have shared with him over the past 23 years. He always had a smile on his face whenever I saw him. He had an insatiable appetite to what couldn't be done and always pushed the limits weather it be his profession life or his go fast Civic. I am honored to have know David, he made me a better person and I learned so much from him. I loved David like a brother that I never had. May you be at peace David....Love you.

“ David was such a sweet soul. This past year I reached out to David, the expert family member who could help figure out any Microsoft issue--he was so kind and patient and always there to help me. I remember sharing a few times with him including being at the beach with his family. What a blessing! I am sooo sad I didn't know the pain he was going through, it's a reminder of something important that I think we're all still sorting through.

Rainy and Mark, thank you for bringing such a beautiful soul into this world. Really sad he left us too soon. Love you, David, Daniel, Rainy, Joe, Crystal, Amie, Jonathon, and all those I forgot to mention, Jeannette

“ I am Rainy's aunt Jeanne therefore I was David's aunt as well. My husband I spent many holidays with the family. I watched him grow from a little boy to a man. And become a excellent worker, a fantastic husband and father. And a caring Christian. Miss him and will always remember him with joy.
