

## Dollie Sue King

August 9, 1934 - September 7, 2019

Dollie Sue King was born Dorothy Sue Millard on September 9, 1934 in Los Angeles, California

to Percival Benedict and Dorothy Millard. She grew up in California and would attend Community College and met John Henry King on a blind date. The two were married on November 14, 1953. They would have three children, Pamela in 1954, James in 1956 and Douglas in 1967. They raised their family in California for 14 years before deciding to move to Newberg, Oregon in 1971. They would find comfort in a loving community with new friends and organizations, and would continue their faith here at Newberg First Presbyterian Church.

Dollie's first job in Newberg was Stouffer's Department Store on Main Street. She also worked at Loren Berg Chevrolet and took on several other odd jobs before settling in at A-DEC where she would later retire after 24 years in 2002. She made many lasting friends and always looked forward to Christmas breakfast with her former coworkers at the Flying "M" Ranch.

Dollie had many hobbies like gardening, collecting antiques and entertaining. She was involved in church with teaching Sunday school, enjoying retreats and especially serving as a Deacon. The King family became known for their Annual Christmas Eve party that would follow the Christmas Eve service at church. In her later years she would travel the world with friends she met while serving with Sertoma, which meant "Service to Mankind". They would venture to Ireland, Scotland, New Zealand, and a Cruise on the Seine. Her last trip was on a Russian cruise going along the Volga River.

Dollie is preceded in death by her husband, John H. King, daughter Pamela Zengel, sister Martha Spencer and half brother Ronald Millard. She is survived by her sons, James (Debbie), Douglas (Susan), 5 grandchildren and 5 great grandchildren.

“ My mom had the snarkiest sense of humor, and had a gift for exposing the foibles of her friends and acquaintances. I can only hope to be as gifted in my old age. Rest well, mom. Find dad and remind him to be on time...

“ God bless her soul and her gifts to you keep your souls close and in touch. Be patient and live yourself.

“ So sorry, Doug. I wish I had known her well. I spoke with her on the phone a couple of times regarding King genealogy. My regards to you and all the rest of the King cousins.
