“ Paul...

One year since he's been gone...

He was definitely one of a kind - what a character! A great salesman, a great friend and a great race car driver -- his one true passion. He was outgoing and the kid in him was always up for anything. He and my mom were together for 15 years and they were two peas in a pod! So unique, so funny and witty, so outrageous and fun to be around... even when they were bickering and driving each other crazy! They were always able to find the humor and had so many laughs. Paul had a positive outlook and a kind spirit -- I'm sure he still does and always will. He was part of our family and his one of a kind personality will always be missed. Hard to believe it's been a year... but I will always remember Paul and give thanks to him for the love, fun, kindness and generosity he showed my mom... I'm thankful they will live on together forever.

“ I was fortunate have Paul visit my home recently. Having him join our family celebration that day was a blessings and a delight. I will always remember him as the vibrant, happy, healthy man I greeted that day.

“ My heart is overwhelmed at the sudden loss of my cousin, Paul Hawkes! We did not see each other often, but he was an amazing man! He was a small town boy, that rose to phenomenal heights! He overcame obstacles, that try to take us down & he wasn't going to have any part of that! He would show up for our Tillamook County Fair-Horse & Pig n Ford Races, as my family are "race horse people"! As citified & classy as Paul had become, he fit right into his groove, camera & all! His smile, personality, & the love he had for Uncle Derral & Aunt Jane(Mom & Dad) knowing they were "good folks" & loved him very much, without a word said;)! I will miss you more than my heart can express, for you are my blood! Adios mi amigo, Ann Roesti-Frampton-Larson
