“ As a close friend to Adeline's daughter Joy, I have fond memories of the times I enjoyed at the Steele home when Joy and I attended Tigard High School. Adeline always welcomed Joy's friends, and I enjoyed having a true role model in my teenage life. I have such good memories of the home she made and allowed us to enjoy, of the clothes she made for Joy, which my mother also made for me. The bridesmaid dress (green taffeta) for Joy's wedding was wonderful to wear, and Adeline made it so perfectly. Those were wonderful days of growing up. I was blessed to know Adeline and Joy so well.
