“ Dick, We were so sorry to hear about Eileen's passing. We only knew her a short time, and through the rodeo, but we both thought she was the most sincere and kind person we have ever met! We will pray for you and the strength you will need to carry on. We all know Eileen is in the hands of the Lord and doing fine. May God bless your whole family. “ Dick, I met Eileen through my husband (he passed away in 2003). I kept in touch with Eileen up to about 5 years ago, and then I became sidetrack with issues on my 100% disabled son. I just learned today, through the Woodburn Independent, about Eileen's passing. I wish to offer my condolence, but as a Christian I celebrate her life and I know we will see her in Heaven. As I see it my John and Eileen are probably visiting right now in Heaven.
