“ I have so many memories of my little sister Angie that it would be impossible to say them all, but I want everyone to know that she IS the best lil sister anyone could have asked for, she always had my back, and was always there for me if I needed her. I moved out to Missouri two years before this happened. I LOVE YOU ANGIE!!! You are forever in my heart, and I will keep your memory alive as long as I'm on this earth. You mean so much to me, and I will never forget you, and our times together.  
Love your brother
