July 20, 1928 - September 29, 2015

Archie Morris was born July 20, 1928 in Boone County, Missouri, at home to Arch Morris Senior and Katie Sargent Morris. He died in Newberg, Oregon on September 29, 2015 surrounded by family and friends. Archie lived in Columbia, Missouri and worked for the Coca Cola Company until 1984 when he and his wife Mary moved to Oregon. Together they owned and operated the Morris Texaco gas station on 1st and Main in Newberg, Oregon for 21 years until 2005 when Mary died. He sold the station in 2010. He enjoyed meeting the people in the community and was a friend to all he met. He always had a smile for everyone and a dog biscuit for every dog who came into the station. He will also be missed by his dog Sammy. In recent years he was very appreciative of the help he received from Mary and David Miller, Carol Lawson, and his neighbors and close friends. He is survived by his daughter Debbie Morris of Columbia, Missouri and stepdaughter Beverly Waggener of Pueblo, Colorado

“ Archie would always greet you with a big smile and a hello at the gas station or when you would see them around town. He had dog biscuits for our dogs and when you left the gas station he would give you a pat on the arm and a see you later. Donna and I will miss seeing Archie he was a great man.

“ Archie was the sweetest most kind man. He was one of my regular customers at Dutch brothers and I looked forward to seeing him everyday. I am so heart broken and send my condolences to anyone close to this man. The last time I saw him I had been worried since I hadn't seen him and gave him my phone number to call if he needed me. He is and was so loved.

*Archie was one of the best. He was so kind and compassionate. I would get gas from him and Mary since high school. I will remember the both of them for the rest of my life. See you soon my friend.*

*Thank you Kaytlin. He loved his coffee! and always enjoyed visiting with the people he made on a daily basis be it at the station or at the coffee shops.*

*Thank you Rob Rickert. I probably pumped gas for you when I visited them. I too liked meeting their customers who soon became their friends. Even the dogs would get excited when their owners would come around the corner to get gas because they knew that they would be greeted with a smile (and a biscuit). Bev*
