

Arlis Lea Joyce

January 6, 1931 - November 20, 2022

Arlis Lea (MacKay) Joyce was born in Portland, Oregon on January 6, 1931. After several years of declining health, Arlis passed away early Sunday morning, November 20, 2022 at the age of 91 years at Arbor Oaks Terrace Memory Care in Newberg, Oregon.

Arlis was born to Edwin D. MacKay and Goldene M. (Vickerman) MacKay. Her only sibling Edward, was five years old when she arrived. While growing up in Spokane, Arlis attended Sunday morning fellowship meetings at the home of Pop Turner, and annual church conventions at Hayden Lake and Bonners Ferry. Friendships made there would develop into lifelong "family connections". Arlis made her choice to serve the LORD while she was a teenager and kept true to that choice all her life. After graduating from Lewis & Clark High School in 1949, Arlis started working for a local furniture store. A short time later the owner helped her buy her first car. Arlis would often spend time with her nephew Michael MacKay and twin nieces Krisanne Gray and Sharon Gates who affectionately called her "Auntie R." She met Walter Joyce while he was attending WSU in Pullman, WA.

On Saturday morning, Sept 21, 1957, Arlis and Walter were married at 'The Hitching Post' in Coeur d'Alene, Idaho. They celebrated 61 years of marriage just before Walter's passing in 2018. They made their first home together in Spokane, WA where they became parents when Bryan was born in 1958 and

David, in 1960. In 1961, the family moved to Denver, Colorado, where they made their home for 3 years and Vernon, was born there in 1962. In 1964, the family moved to Utah. They rented a home for a short time in Sandy before buying a home in Salt Lake City. It was here where Gary was born in 1968. In the summer of 1970, the family moved back to Spokane, WA. In 1972, the family moved for the last time to Newberg, Oregon. They bought a home just down the street from their friends, the Plews and the Chapmans. They lived in that same home for 34 years. Every fall, Arlis and her family would gather fruit and vegetables from their garden and enjoy the canned food, grape and apple juice, throughout the rest of the year.

Arlis & Walter felt privileged to host Wednesday bible studies and Sunday morning worship services in their home for many years. Arlis was a loving mother to her boys and many other children as well, who all enjoyed her bacon pancakes, fresh baked bread and chocolate chip cookies. They became loving grandparents in 1981 and great-grandparents in 2012. After Walter retired in 1988, they made several trips with their trailer, including going to conventions in Washington, Montana, Wyoming, and Idaho. In 1991 they also drove the ALCAN highway in Alaska with Robert and Marilyn Joyce.

In 2006 they sold their home on Wynooski Street in Newberg and lived with their son Bryan, also in Newberg, for eight years. In September of 2014 they moved to Brookdale Assisted Living in Newberg, OR, and in 2018 they moved to Arbor Oaks Terrace Memory Care.

Arlis is preceded in death by her husband Walter in 2018, her father in 1983, her mother in 1988 and her brother, Edward MacKay in 1995.

Surviving to honor her life are her sons Bryan of Newberg (children Mari (Brian McDonald), Bradley (Rocio), Bethany (Josh Recaido)), David and wife Diane of Bothell, Washington (children Deanna (Kevin Zimmerman), Darren,

Dustin), Vernon, of Miles City, Montana, Gary and wife Brenda of Newberg (children Kendall, Megan, Mackenzie (Eric Sullivan), Abigail), 5 great grandchildren, many nieces, nephews and friends.

“ I have very fond memories of Arlis dating back to when I was 11, and my family was living with Grandpa Turner. Arlis and her mother came to his home for Sunday morning meeting. Then, when my girls were teenagers we would travel to Portland for special meetings, and I would see her there. Now, since I have been living in Lynden, I have been close to her sister in laws here, Mary and Janet Joyce. And would get to see Arlis and Walter when they would come to visit them. I always appreciated Arlis sweet smile and spirit. Thinking of the family now, and she has gone onto her reward. A faithful lady. - Dee Bramhall

I treasure my memories of Walter and Arlis - their love and service was an inspiration to me. Reading the obituary revives the memory of two young ladies attending Bonners Convention - my mother Doris Madson Dutton and Arlis. I am so thankful for the generations and united hearts because of God's perfect work. This work in Arlis' life is our comfort today. I would love to be at the service - my thoughts and prayers are with you. Love and sympathy - Dorene Dutton

My first "pandemic window visits" were with Arlis. We were talking about how difficult it was to not be able to come in and visit, and she assured us that yes, it was a difficult time, but then we know that all things work together for good to them that love God, and this will too. She was a joy to visit. That beautiful smile and joyous spirit were so uplifting!! Warm thoughts and care to all the family. Kathy McLin

Walter and Arlis welcomed us to Newberg in 1979, were like parents to us and grandparents to our kids. We loved going to their home for meeting, accepting mounds of huge zucchini every summer from their garden, and delighting in Arlis tender care for ALL her many friends. I will always remember her very kind, warm spirit toward all of us. Such a loving, compassionate woman --a true example for all of we younger ladies. Miss her--but so glad she is home.

Arlis loved the Gospel and she shared her warm love for us in the ministry of this Gospel. I always appreciated her caring heart. Wish I could be there today, but I surely am in thought.

I have wonderful memories of my Auntie Arlis. From when I was such a young girl to graduating and taking the train alot to Oregon with Grandma Joyce to taking my Mom down to visit just a few years ago. I am so happy and thankful I was able to hug and kiss her two weeks ago and tell her I love her over and over. I will miss you! Your niece, Sundee.
