“ I am so sorry for your loss. I think the goal in life is to make a positive impact on a few people's lives-the type of impact Art had on everyone he met. He will be greatly missed.

Art was always the brightness to anyone's day. He would ALWAYS give free hugs, even after I had left the company. Heaven has gained a very smart, lovable, caring Angel. I picked the purple candle for you Art because it is a calming light. may you REST IN PEACE, you will ALWAYS be remembered. <3

“ I will miss Art very much. He was always willing to give his time and knowledge to anyone who needed it. I really enjoyed the early mornings with Art before "work" started. Chatting with him about anything and everything. A little time with Art was always a good way to start the day.
