“ *As the Mom of my bestie since the 6th grade, I enjoyed my time in her home and she always greeted me with a warm smile and made me feel at home. Such a beautiful woman inside and out, which continues to shine through her daughters and granddaughter. Nadine will be missed!*

Nadine was always so nice and welcoming. I stayed at her house with her a few years ago and had the greatest time visiting her. I read the book she wrote and thoroughly enjoyed it. My son, Erik, talked of Nadine often even before I met her. He let me know how nice and talented she was. He was right. I loved watching her with Evangeline. Nadine adored her. She found a lot of joy in the time they spent together. She was loved and she will be missed.
