Bailey Elizabeth Engels Bailey Elizabeth Engels, born in Tualatin Oregon on March 14, 1999 had attended Dundee Elementary School and would have started 8th grade this Fall at Chehalem Valley Middle School. Her life was unexpectedly, and unjustly ended by her father on July 4th, 2012 who she had been taken to spend time with and had been excited to see. She will be remembered for her innocent and loving smile. She loved her parents and especially loved spending time with her mother. She was an avid water polo player and was a leader amongst her peers. She also loved spending time with “Nana” and “Pop”, her grandparents, who often took her camping. Some of her favorite past times were making jam with Nana and playing with her brother and cousins. She had a big heart and will be forever missed by her grandparents, her extended family, and many dear friends and schoolmates. A ceremony will be held Saturday, July 14, 2012 at 11 a.m. in Bauman Auditorium at George Fox University in Newberg for the public. Arrangements are in the care of Attrell’s Newberg Funeral Chapel. Online condolences may be made at www.attrells.com.

“ My name is Nalani. I go to Mountain View Middle School, and just turned 13 last Sunday. I'm sorry for you guys' losses. I have known Bailey for a while. We became friends through Water Polo and basketball. I miss her so much. We never actually got to hang out out of sports, but the time that I got to spend with her was fun. I have been praying for you guys since the day they died. My parents told me the day after when I was over at another friends. I cried for a long time refusing to go home because I didn't want to talk to my family at the time. I cry as I write this message. I wish I could have been at her, Amy, and Jackson's memorial service. It is sad that Coach Randy didn't give them a choice. It wasn't fair. I also have lost two friends this year. Besides Bailey, I have lost my bestfriend Jordan. Sadly I missed his memorial while I was at a camp. Jordan Boggs died in a car crash by a drunk driver. My family and his mourn about it whenever it comes to mind. I found out about his death while at a Youth Group Yard Sale. Me and a few others had to go to the bathroom because we cried so hard. Sometimes I cry at night because I have lost two amazing friends in my life. But I hope it has gotten better for you guys. We can just be jealous that they are in a better place, Heaven. I would rather be there than anywhere else in the world. Love you all. :)
