“ *I remember as a kid going with Barbara, Lorie, Bob, and Marilyn to eastern Oregon on several occasions to see the sights and go cave exploring. That is when I found out how much I really enjoyed the outdoors and good times with good people.
Thank you Barbara for letting me be a part of your family.*

Barbara was a steady, quiet, patient, friend that accomplished tasks in her persistent steadfast way. She listened to people and heard them not only with her ears but her heart. I will miss her.

“*Barbara and I were visiting teachers, for a time. I will always treasure the times we enjoyed together. She was such a quiet, reflective person...can't imagine why they paired us...but will always be happy that they did.*”
