“ I am so sorry for your loss and really we all lost someone very special. It is rare that you can think of someone and only have happy, laughing memories but Bert was one of those someones. What a sense of humor and also a very compassionate personality. The girls softball season was one of my best summers and all because of the friendships and Bert was certainly a BIG part of that. The world will miss you, Bert. (One of the first times I met him he told us he was "Old Man" so that became and inside joke for my family and him). Really, what a GREAT GUY!
