“ I hope you all know how very special "Aunt" Bee was to us. We loved all the special lunches, dinners and many celebrations over the years. I wish we had a lot more time to spend with her. We send our thoughts and prayers in this time of loss to all of you. She was a very special lady and we will always remember her lovingly. She will really be missed by all who knew her and loved her. It just won't be the same without her behind me at church to give me a hug each Sunday. She was such a prayer warrior and that will really be missed. The good news is that she is no longer in pain and must be rejoicing with Jesus!
