“ Carol and I lived next door to each other for several years when our kids were babies. We spent much time together and the VanderZandens became almost an extension of my own family. I loved her like a sister and learned much from her during my years in Banks. It has been a long time since we actually saw one another, but we stayed in contact and I truly have great difficulty wrapping my mind around the fact she has left this earth. The woman filled up a room with her laughter and delightful sense of humor. Blessings and love to the family...Janett Jacobson

“ When Carol worked at the Sherwood school, District, I would call her with a problem at the school, she was always someone that helped me when needed, and of course, before I would hang up after talking to her, we both would be laughing like crazy! When she retired, I really missed her! I'm so sorry to hear she passed away. She was truly one of a kind, my thoughts and prayers go out to her family. 🌸
