“ My prayers and thoughts are with all of you during this time. Charlotte was one of the few patients I encounter off and on here at Providence Newberg that brought a smile to my face when she and her sister walked through the door together. I always tried to give her that special hug and tenderness each time I would room her for her appointments. She had such a wit and spirit to her that I will treasure for ever. Blessings to the whole family, and know that she was a wonderful person and one of God's special gifts. Stacy Doby
