“ I am shocked and deeply saddened by learning of Christine's passing. I have not talked with her for quite a while but considered her a close friend - for a time one of my closest. I met her when I started collecting Liddle Kiddles and Francie - we shared our love of these dolls but had more of a friendship that went beyond them. My husband and I have wonderful memories of visiting the Francises and going to the Drive In and enjoying the family on our visits to Newberg. We are heartbroken to hear this news at such a late date. We send our love to Riley and Malcom and Brian too during this horribly difficult time.

“ I am not sure who is reading this but I am DEVISTATED to hear that Christine has passed away. I am a long long long time kiddle friend of hers and have known her for over 10 years and have spent time with her at her home and met her cross country on several occassions. I know she had serious health issues but I had no idea she had passed away until I was just told today through a "grapevine". To her beautiful sons, my heart goes out to both Riley and Malcolm. I know what Christine has been going through with her personal devistation both personally and healthwise so I can only hope Gods loving arms have wrapped tightly around her to hold her away from any more pain and suffering. May he embrace the family as well during this difficult time. Christine belonged to a big "Kiddle Community" of people who truly loved and cared for her. We all feel very lost and devistated. Pleaes let me know if there is some way to get directly in touch with the family and or if some kind of fund will be set up where we can all donate. With love, Laurel Anne Torres AKA: Coolie

“ Dear Roberts-Francis Family, I was so sorry to hear about Chris' passing. My heart is with all of you. I remember sitting on the balcony with Chris in the big house by Grant talking 6th grader trash! I always marveled at her creative abilities -- that girl could draw. With deepest sympathies, Joann Jensen

“ Thinking of you all, and sending thoughts of comfort and peace. Chris will always be a part of my high school memories. I was just remembering going to Easter mass with her one year:). May your memories be a comfort to you--

“ I knew Chris & considered her a good friend and special person. I had not seen her for many years, but often thought of her. Hearing of her passing saddened and humbled me. Someone as young as Chris should have had so many good & productive years left. My condolences and deepest heart felt prayers go out to the entire family. God Bless you all. Sincerely, Joe Wilkinson

“ I am so sorry about Christine. She will be dearly missed. I have lots of pictures of Christine with the children and family that I will eventually pass on to Malcolm and Riley. I remember the first time we met....she had a black leather jacket on, her hair was dark, long and almost matched the jacket. The bottom quarter of her hair was pink and playfully bounced as she walked about the back of her jacket. It looked so great, as did she. We immediately hit it off with her charm, wit and sense of humor. My sincerest condolences !!!

“ So sorry to hear the sad news of Chris' death. I have not seen her in years but I remember her well and enjoyed working with her at HPP. Chris was so much fun and kind of a "big sister" to us younger girls. May she rest in peace and may your family get through this terrible, difficult time in your lives.

“ I was so saddened to hear of Chris' departure from all our lives. She was a special person, whom I have nothing but fond memories of. While it has been over 25 years since I last saw her, I've stayed updated over the years through Robin, her wonderful sister and my beloved friend, who I met through my initial friendship with Chris. When I was a drama student at Grant High School in Portland, Chris was the TA, so I spent many hours being dramatic with her! I still have a little square button of Heart's "Bebe Le Strange" LP cover that Chris dropped off in my mailbox once, about 30 years ago! She knew I was a big fan and picked it up for me! From now on, whenever I hear Heart - especially anything from that album, I will think of her. I was so hoping to try and see Chris this summer when visiting Robin, but while I'll never get that chance, perhaps I can meet her boys and share some of my memories of her with them. Her boys are lucky to have two wonderful aunts and Gramma Glo! I wish that I could be there tonight to help celebrate her life and mourn her passing. Love to all of the Roberts and mutual friends who are feeling the loss much greater than I could imagine.
