

Christopher Harold Andrew Anderson

November 10, 1986 - January 9, 2017

Christopher Harold Andrew Anderson, loving son of Gary and Diane Anderson of Newberg, Oregon, died suddenly and peacefully at home on Monday, January 9 with friends and family soon by his side. Christopher, 30, was the youngest of five brothers including Shane, Ryan, Daniel, Michael and Chris.

Graduating from Newberg High School in 2005, Chris was the starting varsity baseball third baseman known for his unparalleled fielding skills and as a pitcher with a confounding knuckle ball. His teammates affectionately nicknamed him "Candy".

Christopher worked his way through college, graduating from Oregon State University in 2010 with a Bachelor of Arts degree in Speech Communication.

He began his professional health insurance career with Pacific Benefits Group in 2010. He quickly rose to become a top producer, known for his honest work ethic and compassion. This success allowed him pay off his entire college debt. In 2013, he became an independent broker where his career continued to build.

Christopher loved outdoor sports, fishing and golf. He consistently played golf in the low 80s. His greatest thrill came on September 13, 2016 at the Meadow Lakes 17th, 147 yard par 3 where he shot a hole in one!

What Christopher loved most was his family, his friends and his personal relationship with God. He was never seen without the cross on a chain around his neck. He will be greatly missed and fondly remembered for his gentle, caring, lighthearted, loving soul. He will make his mark in heaven.

Services for Christopher will be held at 11 a.m., Saturday, January 21, 2017 at Newberg First United Methodist Church, 1205 Deborah Rd. Please join us to pay respects and share the beauty of his life.

“ As a fellow Green Bay Packers family member, my husband and I enjoyed watching a few games together with Chris and his brothers and rang in 2015 together or was it 2016? I remember Chris as kind, funny, and he liked mint and chocolate. He called me on a promise I made to make him a chocolate/mint cake, I didn't make good on that promise and regret it. I should have made him one regardless if I remembered making the promise or not. I lost my brother in 2010 and know the pain of such a loss on a family and his brothers. May the memories bring more laughter than tears.
