“ Colette was one of those special people you rarely meet. We were childhood neighbors and I considered her a sister. She was funny, smart and beautiful - I am a better person for knowing her and having the privilege of friendship a long time ago.

“ My thoughts and prayers go out to Dustin, Nikki, and all of Colette's family members at this very challenging time. It is so sad to lose a parent and a loved one. Colette and I had a lot of conversations during her time at Shea Homes. I know she had a caring heart and a wish of good will to others. She had a great sense of humor and could easily make you laugh. I know the family will find peace and comfort in this celebration of her life.

“ I am so terribly sad to discover this news. I just Googled my old friend’s name to see what she was up to in life. I am so, so shocked and saddened to learn of her recent passing. Colette and I became friends thru a chance meeting in a ladies bible study at church in Walnut Creek. We were both going thru divorces and she needed a temporary place to live, so I offered my spare bedroom to her. Through our painful circumstances we grew close and spent lots of time on long walks and hanging out together over a few years until she moved out of state. I prayed for her over the years. She was so witty, beautiful and creative! She loved the Lord. I don’t know the circumstances of her passing but send my sincere condolences to her son Dustin, daughter, Nikki, her two brothers, parents and extended family and friends. My heart hurts learning this news. I know she is with her heavenly father and may that give her family comfort.

“ *My thoughts and prayers are with you during this sad time. I will remember Colette fondly and have wonderful memories of many hours spent on the phone during my long walks and work out sessions. She leaves behind a wonderful family and I know you will all be a great source of comfort and support to one another. My heart goes out to each of you.*

*She was a very creative soul...from her artwork to her knitting (which she taught herself to do!). She was very giving and loved to give her creations to those she cared about most; never asking for anything in return. Here is an example of my favorite beanie and scarf hand crafted by Colette.*
