“ I worked with Dan over a period of many years, he was in HR, I was in the branches. I always enjoyed the bantering back & forth that we would do when we were together. H was always a real gentlemen, and made those around him happy. Although I have not seen him in many years, I know he will be missed by all.

“ Maylene and family, I was so sorry to hear about Dan's passing, he will truly be missed by many. I will miss seeing Dan at the car shows, which he often attended, and I always appreciated you and Dan stoping by to chat with me at those shows. I have known Dan since Hollywood Rose City Branch days, (40 years or more) and from the time I meet him right through now he has always been on my short list of really good guys that I held in high esteem. I pray that you and your family finds some confort in the fact that Dan no longer has to suffer with that awful disorder he lived with for so many years. Gods belessings to you and all of his family. “ *Maylene, so saddened to hear of Dan's passing. I have many good memories of Dan...Saturday morning golf games as well as working together all of those years at the bank. I always considered him a good friend. You will remember that the last time I saw him was when he called out my name at the Blazer game last year and we had a chance to visit for a few minutes. I am so glad that happened! We talked about getting together for lunch but I remember that he was concerned about his strength to even make that happen. He was certainly a great person with a kind heart...and will be missed by all who knew him. My thoughts and prayers are with you and your family as you deal with your loss.*

“ *Maylene. Pam and I were saddened to read of Dan's passing this morning in the on-line Oregonian and wanted to express our sympathies to you and your family. I first met Dan when he was a First National Bank of Oregon trainee in 1966. We remained good friends throughout his long banking career. I last saw Dan at lunch a few weeks before Pam and I left Portland for our retirement home in Utah in 2003. Again, we are so sorry for your loss. Hal and Pam Hixson.*
