“ David was a wonderful husband to my dear sister and a great father to four lovely daughters. My mother considered him a very special (and THE) son-in-law, always willing to lend a helping hand, and of course taking care of her daughter and grandkids with his silent stability. No worries from her while David was taking care of the family. Even from Newberg he offered a helping hand. Like the time one of my puppies dropped a ball down the flushing toilet (in Seattle). Yikes, what do I do? Ever calm, David made his suggestions (toilet didn't flood or plug up). Another good job, David. You will be missed by all your family, friends and acquaintances. Happy fishing, and save a place for the rest of us. Your devoted sister-in-law, Adrienne (Stone).

“ I had the privilege of working with both David and Sandra at Providence Newberg, formerly Newberg Community Hospital. When it was the former, I recall we were lacking in financial backing. However, what we lacked financially, was made up for in heart and ingenuity - of which David had an abundance of both. You were a treasure David, personally and professionally.

“ Dave was such a quiet guy ~ until you got to know him 😊 He was an avid fisherman and was gracious enough to share his knowledge and even his boat with those that may not have his fishing expertise. He was a very generous soul and will be greatly missed ❤️ We were blessed to know Dave ~ may he rest in peace 😊

“ I will always be grateful for the family gatherings and the love of rock hunting we all shared. I admired his quiet nature but he was the most gentle and kind man I've ever known. You will be missed

I remember the good times we had at family dinners and on the holidays. I grew up with David and he was always fun to be around. I know he loved his family deeply. My thoughts and prayers are with you all.
