“ Please accept our late condolences on the passing of Del. She was such a strong and caring woman. She has impacted many lives including my own. Del and I shared a special bond during the time we lived together in 1967 and I'd like to think I helped her as much as she helped me. She will be forever in my thoughts and I think of her especially at Thanksgiving when I set my table and remember how she enjoyed setting a beautiful table and serving her family and friends. Please don't hesitate to respond. Thinking of you all, Jeanne
