“ As a niece, Uncle Don was also a friend who reminded me of my dad, his older brother. I would call him "Uncle Dad" on the few occasions we met, the miles being between us, telephone conversations, and e-mails. He was always an example of positiveness even through his health trials the last few years, We will treasure the times we have been with him and I will always remember his call to me just a few days before his fall! It was a call of encouragement as he prayed with me on the phone. I have been thinking about the reunion in heaven he is enjoying with the other "Jensens" and loved ones. As Christians we can know that with God's plan for us, it isn't "good-bye" but "so-long" until we are with him again some day. We send our sympathy, love and thoughts to Betty and the family.

Sincerely, Eudeanne and Neil Bramson

Nice picture, Eudeanne! I remember Don and Betty took Kristi and I to that same spot 2 years ago. Nice memory! Too bad the obituary does not cover much of his life! I have seen more obituary for a child of 5 years old vs 85years for Don.

Oh, I didn't find out the graveside service was Friday until I called the funeral home yesterday (Saturday) and they let me know since I am family.

P.J. Was my Pastor in Beaverton for many years, I was a mmbrr of his midweek Little Flock & never known a more intellectual yet humble mon of God!

When I learned he'd 'graduated' I very much desired to attend despite recent shoulder surgery.

A friend drove me to Village that Sunday, and on the way back to Hood River, she said "I feel as if I've just met a Great Man!!"
