“ *Dorothy gifted to me many plants from her yard, which I planted in my yard. Those plants have multiplied many times over. I have given many of the plant babies away. The gift that keeps on giving. I will always remember Dorothy when I work in my garden among the many beautiful plants and flowers. And I will always remember how warm and funny she was. I can still hear her laughter. Till we meet again, Dorothy, in the throne room of heaven! Jeri Rich*
