“ Ed Rondeau was a college buddy of mine at the College of St. Joseph on the Rio Grande in Albuquerque, New Mexico. He often gave me rides to the desert campus out of town. We chatted about every subject matter. He was very friendly and inquisitive. I was so impressed that he read a book every day. He was looking forward to graduate school at Brown. I am sorry to hear of his passing. I am only sorry that, since I have visited family many times over the last few years in Portland, I did not know that he was nearby to visit.

“ I am so very sorry to learn of Edgar's passing. My family lived at 205 Texas NE in Albuquerque when the Rondeaus lived in the next block. I believe my brother Pat went to Highland High School with Ray. I was in my first year at St. Joes where I got to know Edgar. He was a very learned person who went through books at an amazing pace. He was always talking about subjects that went over my and my friends heads at St. Joe. May the Lord cradle him in His loving arms. It was a pleasure to know you Edgar.
