“ Raz and I send Mary and the whole family our heartfelt condolences. May God be with Elroy and with all of you during this difficult time. We will miss Elroy very much and will always remember him. He was a great neighbor for 23 years. We will remember the many years he and Mary shared their bounty of crops from their garden. The sweet corn was the best any where. We enjoyed the beautiful purple and blue (dried) flowers, and the gladiolas that he grew in the front lawn for his church arrangements. And lately, I have enjoyed watching the little bluebirds that he, Carole and Mary raised. Now there is several of them, and I have become a great fan of them. I'm always looking for them around our yard. Hopefully, Mary and Carole will continue their garden, and I hope I will have one too (if we can get the tiller to work) so we can continue to share gardening tips and crops. We are praying for you during this difficult time. God Bless, -Hope
