

## Estelle M. Fromm

May 11, 1965 - March 31, 2015

In Loving Memory Estelle M. Fromm May 11, 1965 ~ March 31, 2015 Estelle Maria Fromm was a loving wife, thoughtful daughter, caring sister and a friend to many. The year after she graduated from San Diego State University, with a BA degree in Recreation System Mgt; Estelle married “Jens Fromm” in 1992. Estelle never had children. Through the years, Estelle and her husband would adopt various rescue dogs. Since 1998 Estelle had worked at Oregon State Hospital. She worked directly with the patients as a Mental Health Therapist. From 1989-1996, Estelle was in the US Navy Reserves. She was stationed to the USS Dixon in Point Loma, San Diego. She received an Honorable discharge in 1996. In her spare time, Estelle enjoyed working in her rose garden, cooking homemade meals for her husband, and walking her dogs. In lieu of flowers, please make a donation to the Marion County Dog Shelter in Salem or the Newberg-Dundee Police K9 Unit c/o Attrell's Newberg Funeral Chapel, 207 Villa Road, Newberg, Oregon 97132.

“ Estelle helped me with my relapse prevention plan. She got some liquid tape and doctored it up so it looked presentable. I needed that for an interview I had the day I learned of her death. That day I was wearing a shirt that Estelle picked out on pass. It is a nice collared blue shirt that she said brought out my eyes. It only cost two dollars brand new, and is the best deal on a shirt I ever got. When I was standing waiting to go to the interview for my conditional release, I thought, "Estelle, could you please help me with my interview today?" I realized a few moments later as I looked at my relapse prevention plan and shirt I was wearing that she already had. Estelle also made a list of the seven virtues for me when I asked her one time. She wrote it out by hand, and I think that she personified them more than any other person I have worked with at the hospital.

“ To All Who Knew and Loved Her, She does sound like a truly special and rare person that was and is loved by all that knew her. I know how hard it is to lose someone we love so much. My own father passed away just a few short years ago and sometimes it seems like it was just yesterday. I would like to share a scripture with you that helped me in my time of grief, it is 2 Corinthians 1:3,4 where it refers to God as “the Father of tender mercies and the God of all comfort, who comforts us in all our trials so that we may be able to comfort others in any sort of trial with the comfort that we receive from God.” And one of the best is a promise that God will do away with death forever and it is found in Revelation 21:4 where it says “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” With a promise like that and other ones of a resurrection for everyone to right here on earth with us, it makes the grief a little easier to bear. I would be more than happy to share those with you, if you would like or you can also go to [jw.org](http://jw.org) and type "resurrection" into the search box and get the information on your own. Please except my sincerest condolences,

“ I was privileged to get to know Estelle when she joined Newberg Curves. I know that she loved her family dearly and her dogs! She was a very tender-hearted, thoughtful and caring person. She loved Curves and we loved her. Late last summer we received a little package at Curves via mail from Estelle...a small Christmas angel. When I thanked her she laughed, saying it was supposed to be delivered closer to Christmas. We both chuckled. During the month of December that little angel greeted our members each time they signed in to work out at Curves. I remember when she came into Curves several times at Halloween, in costume, to bring us smiles and happiness ~ that's who she was! We will miss our sweet and dear friend! In the midst of such great loss and sadness, I am glad she was a part of my life. My heart goes out to you, dear family, and my prayers are with you.

“ Estelle was such a blessing to me. I would see her at Curves and we would laugh together and enjoy each others company. She would talk about her wonderful husband and how they were made for each other. She loved her little dogs and helped me teach my little dog commands. We loved to swap stories about life. She loved her Mother, Father, Brother and sister very much and would speak about them often. I will always remember Estelle's laugh and the precious times we had together. She was truly a good friend.

“ To the family of Estelle Fromm, I want to offer my deepest condolences. We worked together for several years on 50C swing shift. She used to bring in fantastic recipes that would leave us all so hungry just by looking at the pictures. We were a small team, but we stuck together. Estelle cared so much for our clients, and would do whatever she could to help them. She did not pass judgement on our clients, she treated them as equals. Estelle used to bring in pictures from her vacations, sharing her fun times with her 50C family. And oh the puppy stories, haha! Estelle will be greatly missed, not only as a great co-worker, but as my friend. Brenda
