“ So terribly sad to know Evalyn has passed away but she lived a long life and she was a dear sweet lady who we have missed seeing at least once every year or so when she and Russell would visit my dad, Harold Salyer, until he passed away in 2001. I want you to know my mother, Kathleen, does visit Russell's grave and now she will visit Evalyn's as well. I just informed her of Evalyn's passing. I actually found the obituary in the East Oregonian online by accident. You all have my condolences as well as my mother's. God Bless the Salyer Family. Laurie
