“ I just now heard of Gary's passing, but I wanted you to know that Gary is very much in my thoughts and prayers.

Gary and I grew up together. We were both baptized, went to catechism and Sunday Mass at St. Francis Parish in Sherwood. Indeed as I recall, we were both altar boys. And of course, we both went to grade school and high school together starting with Mrs. Bushnell's first grade class and ending at high school graduation in 1967.

Gary was a lot of fun to be with. He had a great sense of humor. More importantly, Gary was kind. He cared about other people. I will miss him.

“ I just came across this, Mr.Langer was my 5th grade teacher at Gaffney Lane Elementary. Was such a wonderful person and I remember him all these years later. I'm 43 now and haven't forgotten his big smile. Rip

“ To you my friend you will be missed! I will always look for my Christmas card with a note from you. There is not better family to have spent my childhood riding motorcycles with and going out to dinner. I sure up you and my dad figured out "what would Glenn do". Peace out Porcupine. Much love to you and the family.

“ Although, only knowing Gary and Barb for such a short time it feels like we’ve known each other a lifetime. We first met on our trip to Washington DC, three years ago. Gary was always making us laugh and I think he enjoyed that. We enjoyed it too. He was always eager to do things as if he wanted to pack in as much into this life as he possibly could. I loved his laugh and can still hear it. My husband and I will deeply miss him. Our life with him was cut way to short. We wish we could have had more exciting trips together. RIP dear friend. Save a place for us, at God’s banquet table when we meet again.

All our love,
