“ Dear Carolyn and family, Your mother was a dear and wonderful lady. In the 1950's when my parents (John and Marian Rak) lived across the street from you on South Willamette St. in Newberg I remember so well her kitchen and living room, actually a music room. So much music and the wonder of the Junior Symphony. I was describing to a friend recently what wonderful examples of feminity existed in this neighborhood circle. You never know how you will affect your neighbors but your mother was a delight and one of the best people I ever knew. You have my deepest sympathy in your loss. Betty (Rak) Berry
