“ Hands down the coolest guy I've ever known. You will be missed by anyone who as known you. R.I.P brother. Gone but never forgotten.

“ I have been thinking for days about how to share a memory of Hans. Every story I think of makes me smile (e.g., dancing on a stump in the shop, 6 mowers welded together, doing the senator, fires, lots of fires, fire wood, mud, planting trees and fun!) Hans was brilliant, creative and caring. There was never a boring moment. My thoughts and love go to his beautiful family, now and in the future.

“ My good friend this was too soon. My family and I will miss you. Over the years I have really enjoyed the stories and your adventures. The time you spent as a marine with MAG71, your unit. I enjoyed all those stories. Sitting in your shop by the warm fire in the winter time was one of my favorite pastimes. I had a rough go of it this last year and you made the time to help me and my family out. My wife and I are thankful that you and Shari and Curt could help. Earlier this year you, myself and my boys planted new trees for the year. One of my best days ever, you complimented me on raising such good little helpers. I am thankful for the time we spent together, usually working on something together, It's what we did.

Take care and godspeed Hans.
