“ Queen Hazel Mary Houser Hamilton Harrison.....how we adored her and always knelt before Her Majesty of Pacific College May Day fame....."Let All my Life Be Music" was her theme.....gracious, giant in her own right and service.....Someday we shall meet again and she will empower us with music, music, music.....

“ She was a sweet lady I knew all my life. Always friendly and a talented musician. Have many wonderful memories of her sharing her talents to play at memorials services for my parents and husband and at the weddings of some of our children. Also miss her at the organ weekly at church. She will always be remembered!
