

Jackson Robert Engels

February 2, 2001 - July 4, 2012

Jackson Robert Engels Jackson Robert Engels, born in Tualatin Oregon on February 2, 2001 had attended Dundee Elementary School and would have started 6th grade this Fall at Chehalem Valley Middle School. His life was unexpectedly, and unjustly ended by his father on July 4th, 2012 who he had been taken to spend time with and had been excited to see. He loved his parents and especially loved spending time with his mother. He also loved camping with his grandparents, "Nana" and "Pop". He enjoyed playing with his sister and cousins who he saw often. He recently had discovered remote control cars with his grandpa. He was an innocent boy whose smile and humor will never be forgotten by his grandparents, his extended family, and many dear friends and schoolmates. A ceremony will be held Saturday, July 14, 2012 at 11 a.m. in Bauman Auditorium at George Fox University in Newberg for the public. Arrangements are in the care of Attrell's Newberg Funeral Chapel. Online condolences may be made at www.attrells.com.

“ My son Aidan first met Jackson in 4th grade when we moved to Dundee. Aidan was placed next to Jackson because Aidan has Autism and Mr. Crocker new that out of all the students. Jackson would treat Aidan right and be his mentor. They quickly struck up a friendship and Aidan looked up to Jackson and admired him. Jackson got Aidan's jokes and that clinched it for Aidan. Jackson was always trying to help Aidan fit in and do what the other students were doing and yes even sometimes Jackson was over correcting him. One day Aidan came home and said that he had to tell Jackson that it was okay to let him try and fail and do things on his own. Jackson had a big heart and always wanted to help. Like Bailey Jackson had that sense of nurturing. We are sadden that he won't grow up to be a fine young man like we know he would have. Rest assure that in Jackson's short life he did make a difference in a child and showed all the great qualities of growing up to be a wonderful Dad. You should be proud of Amy raising children that have compassion for those with special needs. Our family will be honoring Jackson by holding a barbeque for the children of Dundee Elementary so they can get together and run off some of that energy Jackson was known for.

“ We are so devastated to hear about this. Jackson, Bailey, and Amy were so sweet and caring. Gage and Jackson had gone to school together since kindergarten. He was such a respectful and nice little boy. They will all be missed, and never forgotten. We are praying everyday, and are so sorry this happend. Their lives were cut way to short.
