“ We were in school with Jan (Bob at Tualatin Grade School, Janice at Sherwood High.) We were so happy that she had begun to join us at our classmates' luncheons and picnics - her wonderful smile and happy personality had not changed since we were teenagers! Her sudden death has greatly saddened us both.

“ Dear Bryan and Mike I was so sorry to hear about Janice. I have been thinking since then about the many good times we had together. When you were all small children we supported each other in many ways and developed a closeness that has carried thru many years. Even tho we did not see each other often in the past few years we still held on to that friendship and thought of each other often My thoughts and prayers are with you during this difficult time and always remember I love you. All my love Bonnie
