“ I heard of your loss just last night. I was Steve's neighbor in Lake Oswego and became friends with Greg. Steve's annual gatherings for family and friends always included his friend Greg. Everyone will miss him on the 4th. Bless his heart. May the love of your friends and family surround you and fill your heart as you journey down this new road. I know that the road ahead will be difficult. Please know that Greg's love and presence will always be with you. Be sure to be kind and gentle with yourself and with each other. Remember his smile. Sending you and your family prayers. Linda
