“ *Josie Fogarty family I was so sad to hear of Aunt Josie's passing. There is never anything anyone can say to make things better in a loss of a loved one. I just want you to know I am thinking of you and your families during this very sad time. I will miss her hugs that she always seemed to ask for if we did not give her one on our own as soon as we seen her which seemed to be so few and far between. Please know that we will miss her dearly and will remember and think of her always.*
