“ Kathy and her family were one of my families first friends in the far reached of Aurora. We went to school, played sports, a summer job, summer / weekend days together. May you rest in peace with your dad and grandmother.

“ I attended high school with Kathy. She always looked out for her older brothers and was very protective of them. She had a great sense of humor and when she smiled, her entire face showed her happiness. She loved her parents so much and she and her brother Greg, were two of my first friends when we moved to Aurora. Wonderful familyI am so very sorry for your losses. My thoughts and prayers are with you, now, and always. With Blessings and Love, Lori Klinge-Schmitz

“ Though I only worked with Kathy, at Bi-Mart, for a short time, I enjoyed that time.
Having a mutual interest in the Boy Scout program, we had some interesting discussions.
I had a little time with her son when he came to the "bring your child to work" day.
Best wishes as you follow the trail to Eagle.
I know she's with the family in spirit.
