

Katie E. Fink

June 10, 1980 - November 1, 2016

Dear Dylan,

Let me tell you about your mom, Katie Elizabeth Fink who passed away on November 1, 2016.

She was born on June 10, 1980 in Portland, OR to Margaret and Richard Fink.

The attributes that defined your mother were her: constant smile, high energy, love of people, animals, intelligence, sensitivity and beauty. She was also focused, brave, outgoing, accepting, and, somewhat stubborn.

As you grow and become older you will see, in yourself and the pictures of your mom, her captivating smile and those bright eyes that reveal a soul full of life, hope and love. None more than the first pictures of her and you on the day of your birth, October 12, 2016, 21 days before her passing.

Your Mom was in the National Honor Society during high school and a proud graduate from Portland State University.

In the short period you were together, she was a loving, diligent mom. Her first questions to visitors were “Did you have your flu shot?” “Have you washed your hands?” She had charts of every feeding time, intake amounts, poops and pees, and probably the number of hairs on your head.

Your mom’s interest and activities included sports (everything from volleyball to crew), cooking, fishing, travel, rock climbing, camping, and numerous other activities. Your mom rarely sat still.

During your mom’s life, she was surrounded by a loving family of parents,

grandparents, uncles, aunts, cousins, and friends.

Dylan, by the time you are old enough to read this you will recognize that you have a great father, who deeply loves you as much as he loved your mom.

You will have also realized that your extended family not only loves you but is very supportive and welcoming.

In lieu of flowers please contribute to: American Funds, Dylan Ian Wild College Fund, C/O Magncorp, 5665 Meadows Road, Suite 350, Lake Oswego, OR 97035.

Family will provide a complete obituary. Please leave condolences on this site for them to view.
