“ I am so sorry for your families loss. the service was beautiful and it was nice to see so many people there sharing in the love of your amazing daughter. There were so many wonderful things said and the song sung by that young lady was truly beautiful. She will be missed! I only met her a couple of times but she was a sweet girl. My heart goes out to each of you!

“ Angie my heart goes out to you. Words can't express the sadness I feel for your family. I remember Kayla bringing her goat over to our house when you lived on herd road. She was such a sweet girl. I just want you to know your family is in my thoughts.
