“ We have known Kyle since he was in kindergarten. Kyle and our son Kevin were best of friends. He was like our "2nd" son and would always give hugs and call me his other mom. He had the best sense of humor and his smile would light up the room. We loved when they would come for holiday dinners and play games afterwards. He will always have a very special place in our hearts.

“ I met Kyle while visiting Oregon. He was so kind and we had a nice, short conversation. I remember his nice smile, too. I'm thinking about his family and friends during this very difficult time.

“ Kyle was one of the sweetest people I've ever met. He was also a really talented artist. I would always look forward to seeing him at work because he was always so positive and happy. He had such a great sense of humor. I am really grateful to have been friends with such a kind hearted person.
