“ Jesus saved my life about 2 years ago. I was a brand new, reborn, spirit filled Christian when I showed up to Faith Bible Church shortly after God changed my heart. Larry was one of the first people I met as a new believer. What a blessing that turned out to be! Larry became a great brother in the Lord to me and I felt confident to confide in him and be transparent of the things I was going through as a newer believer. His vast knowledge of the scripture and love for our Lord guided me to righteousness and I couldn't be more grateful. Just the short amount of time I knew Larry, he helped me tremendously. He had such a heart for the Lord and a zeal to preach the gospel to lost souls with a genuine love that can only come from knowing Jesus as Lord. I will miss Larry very much, but my mourning quickly turns to joy as I know he's in the presence of Almighty God, experiencing unfathomable joy and love. Until we see each other again brother. I love you. In Christ, Barry.

“ Larry has been a dear and precious friend since our early days at Faith Baptist Church in Wilsonville. He was our pastor. No matter what happens in our lives he continues to be our pastor. Larry's love for God's word and his God given gift to share Gods word will be missed very much. His beautiful gift of love for all of us will be greatly missed by us. His wonderful stories about sharing Gods word with strangers on the beach, in a restaurant, on an airplane. The stories were very precious. His heart was always available to share Gods word. He had an incredible knowledge of God's word. When he talked, we listened. You all are so wonderfully blessed to have him as your father. We were wonderfully blessed to have him as a friend for over 40 years. Larry, Louie and I love you very much and miss you very much. Wonderful friend Larry, we will see you soon.

Larry was more than just a brother. He was my best friend and constant companion. We both truly loved spending time together fishing and reading God's word in the back of a camper. His love for the Word of God was evident throughout his life. He loved studying and preparing for his Life Group. I learned not to be embarrassed to share my faith from Larry. I also picked up a few of his practices... the best one? No Bible - No coffee! I will miss you tremendously Brother, but I rest in His promise that we will see each other again soon. I love you, your brother Terry

Larry truly was an unique brother and a dear friend. Larry's study of God's Word was evident in his life and mission here on earth. Over the last several months before his illness Larry would text us each morning with: "Morning Sibs" and he would share his thoughts and how God spoke to him that morning.

What my brother Terry taught me about coaching, Larry taught me to love God's Word.

I'll miss his smile and his gentle spirit and his everlasting love.

Where you are now Larry there is no sin or sickness or pain. You beat us to Heaven, but that's OK enjoy your reward and Your Savior.

I'll miss you and love you "Little L"

Your brother

I don't know where to begin of my friendship with Larry. He was there for me always after my son passed six months ago he went with me to pick up his ashes , and clean out his apartment when I cannot do it alone . He taught me so much about the Bible and I was blessed to hike to the prayer log when we prayed. He didn't think he could make it but I showed him. If I needed anything I could call him and he would say he would be right over. I could go on and on about my sweet friend. I will always miss you Larry you made such an impression on my heart. but I know you are living your best life in heaven with Jesus.

I believe God directed our paths to meet each other here in Lincoln City over the last 5 years! Larry literally was a God send for this community, our Faith Bible members, and especially me! Larry was an example of a man who truly loved the Lord by reading/studying the Word, sharing

the gospel boldly with people he met on the beach or mountain trails, his enthusiasm for Christ in his life, his prayer life, and serving and encouraging others in humble acts of kindness!

He was an active member of Faith Bible Church by leading a Life Group at his home, assisting in adult Sunday School, attending the Tuesday prayer group, attending the Tuesday Otis cafe men's Bible Study, member of the Church grounds/maintenance, church worship greeter, praying for the pastors who are preaching, and just his friendly presents.

He stated to me that he was closer to the Lord than he ever been in earthly life and was totally ready to be with the Lord-the Lord granted his wish!! Even though we'll all miss Larry, so happy for him!!

He loved his family and prayed for them daily.

Larry's wish for all is to except the Lord into your life!!
