I think of Leila every now and again. Wherever she and her brother are, I hope they're free and they're happy.

“ *Leila was my classmate from 1st. grade at Dundee School through our high school years. I fondly remember her, we learned to drive together. She was very bright and dear, I feel blessed to have shared my early years with her. You are all in my thoughts today. The world is a better place to have had Leila live her life in it.*
