In Loving Memory of Leslie Rose (Clark) Hibbler

Leslie Hibbler of Newberg, OR, born June 21, 1958, passed away on December 10th, leaving behind a whole lot of love and a lot of people who will miss her dearly.

She wasn't just a mom and a grandma — she was an Auntie, Grandma, and "surrogate" mom to so many kids (of all ages), whether they were related by blood or not. If you were loved by her, you were family, no questions asked.

She absolutely adored her grandsons, William and Christopher. They were her pride and joy, and anyone who saw her with them could feel the depth of her love and the happiness they brought to her heart.

She was also extremely musical. Music was part of who she was — playing, singing, or appreciating a good song. It brought her comfort, happiness, and a way to connect with others. There's not a classic Disney movie she didn't see, or a Harrison Ford movie she didn't own.

Her warmth, generosity, and ability to make people feel welcome will be remembered by everyone who knew her. She leaves behind family, chosen family, and a legacy of love that stretches far beyond titles.

She is preceded to heaven by her parents Lester and Rosie Clark and her brother, Bill Clark. Left to cherish her memory are her daughters Kari and Richelle (Mark), grandsons William and Christopher, and sister Jan (Barry).

She will be deeply missed and forever loved.

“ I met Leslie (aka Bobohead) in 1997 as a new employee at George Fox. Little did I know the impact she'd have on the lives of me and my family. Auntie Bobo to my four kiddos, treasured friend to me and my husband. She experienced a lot of hardship in her life but never let it extinguish the light that was her. Always ready to help, encourage and be present were some of her gifts. I remember her playing a song she'd written and singing the lyrics. I was envious of that kind of talent. Bobo, you were dearly loved and you'll be deeply missed. The only comfort is knowing you're with God and all of those you love who went before you. I love you, sweet friend.

Moving schools halfway during Junior Year from Hillsboro was hard. Leslie was a loving friend who welcomed me and made me feel like we'd known each other for years. Knowing her was a gift.

“ Leslie was such a bright light. Always with a smile on her face. We were surprised and a little overwhelmed when she asked us to be surrogate parents to Kari and William if and when she passed. We hoped that day would be a long way off. Hugs and prayers to all her family.

“ Leslie was definitely one of a kind and one of the kindest people to have ever crossed paths with. She loved her family fiercely and also shared her love to many others. I will forever appreciate her kindness, thoughtfulness and will miss her hugs! Rest easy, Leslie
