“ *Every Memorial Day we were privileged to attend the special ceremonies honoring our veterans at Newberg's Memorial Park. It was an added joy to see 'Uncle Lester' be a part of the ceremony. When Lester rode on the VFW float in Newberg's Old Fashioned Festival Parade, we were happy to see him and to give honor to those who served our country - thanks be to God!*

“ *Bruce and his dad (Charles-Chuck) were able to travel to visit Uncle Lester and family a couple years ago...it was very special because the two brothers knew it would be their last time to see each other until death. So very grateful for the shared times over all their years, but especially that trip!*

To all of Uncle Lester's family---we love you! Thoughts and prayers lift each of you in all the days to come!

****Cannot write this without mentioning how very happy we are that our Uncle Lester carried on serving our country to the day he died--- he was indeed a Proud American!*

“ My favorite memory of Uncle Lester is his ever-present baseball glove. I can see him clearly whenever I use Neatsfoot oil on any good leather. I'm sorry that I never got to know my OR cousins better. It was always a special time at Grandma and Grandpa's when Lester and Annabelle arrived for a visit.

It was my Honor to be the Patriot Guard Ride Captain for Lester Beecroft. I strongly feel that we owe Nation's Veterans much and especially to our valued "Greatest Generation". I learned much today about the proud Beecroft family and was thankful for support of his many friends who came to pay respect. the St Paul Church and grounds are beautiful and a fitting place for Lester to Rest In Peace. Again and speakig for those PGR members in attendance today, it was a Honor to stand and pay our Repects.

*Respectfully,
Jim Kruchoski
