“ I am so very sorry that Linda is gone! I don't understand why God would take her unless he has a very important job for her...I have to believe that! Linda was a good friend and amazing neighbor. She was so unselfish in her time and willingness to help me. We had good talks and shared a lot of laughs! Remember when we went to the lake together? I was so proud of Linda for going out on the boat...and I will never forget John trying to sleep on the 5 foot couch in the motorhome! Linda is at peace, she isn't hurting anymore and for that I am grateful. I just wish that we could have had her with us a lot longer! I hope that your beautiful memories of this woman who loved you all so very much will make this a bit easier. Rest in peace, sister-friend...I love and miss you!
