*My memories of Linda are mostly of her early years. She was born 1 month after we were married. Helen didn't want to be in the wedding party because she was 8 months pregnant. I remember she had some hip problems, so before she could walk, she had special shoes with a steel bar attached between them. I remember taking care of Linda & Angi when John was born. She had beautiful curly long blond hair & she dumped a bowl of oatmeal over her head completely covering it. As an adult I didn't see her often but I remember she had a wonderful dry sense of humor much like her Dad Jack. She was a very special granddaughter to Grandma Schultz, taking her to lunch every Tues. after Grandpa died. Grandma loved to go to Linda & Steve's house with Helen, for Thanksgiving dinners. She loved Steve's mashed potatoes. I think Linda is laughing and joking with her Dad and having wonderful conversations with her Grandma in heaven.
Rest in Peace dear Linda.

“ My thoughts go out to Linda's family and close friends. I knew Linda through the insurance industry. Our many years of working together as company/agent relations. Linda was always on top of her game and if one wanted help or to learn something Linda was your person. She made her knowledge open to all and loved sharing it with others. I believe her priority was customer service to the many agents that worked with her throughout the state. We will all miss her joyful voice on the phone and many visits. Eric we look forward to your continued services and the many things that have been passed down from your mother.

“ I met Linda in 1988 when she interviewed me for an Underwriter Position with DVUA of Oregon. We became coworkers and friends. I still considered her a good and dear friend all of these years later even though we did not talk often. Boy, was she a proud Grandma! My first impression of Linda and my last impression of Linda were the same. "That is a very strong woman!". So very positive and up to the fight against MS. I learned a lot from Linda over the years and I will sincerely miss her. I will miss her ready smile. Her quick wit ...and let's be honest...sometimes biting wit. :-) And her ALWAYS readiness to help.

My thoughts and sympathy go to her family who were Linda's first and only priority. She will be missed by all that knew her.

“ My heart goes out to Linda's family, she was a bright light in this world and will be greatly missed. She always knew how to bring a smile to my face! Our industry will feel the loss of one of the "Insurance Greats"! She taught me so much in the years we worked together, not just about the business but about life. Michelle Gibson

“ *My dear mother in law was the sweetest person she would do anything for anyone. She loved her family so much and her grandchildren are so precious to her. I'll miss having family dinner with that usually ended in lemon meringue pie. She loved spoiling our kids especially Makayla. They were extremely close and spent a lot of time together. Makayla always called her Mama and I know how deeply Linda is already missed. We will always love her forever in our hearts. No more pain sweet angel.*
