

Marcia L. Chose

June 12, 1953 - September 7, 2020

Marcia Luanne Chose was born on June 12, 1953 in Lisbon North Dakota, the only daughter of Martin and Martha Chose. She died September 7th, 2020 at the age of 67.

She lived on the farm until 1965 when the family moved to Snohomish Washington. But she always loved and missed the farm life, and spoke of it often. To her, as a child, it was a wonderful place to grow up. She was always fond of animals, cats, dogs and birds, and she often had multiple pets in her home. In the recent years when she was not able to care for pets any longer, she would spend time watching Animal Planet; she could tell you any facts you wanted to know about many species of animal, wild or domestic. She graduated from Snohomish High School in 1971, and immediately started working for GTE telephone Company at the age of 18. She worked there for 20 years, and faced a forced retirement when the company merged and moved to another state. At that time, she decided to moved to Oregon to be closer to family, and shortly after moving she began a new career when she purchased a small glass shop in Newberg. She owned and operated that business for many years. She loved interacting with all her customers and many became friends.

Her health took a turn for the worse and she ended up on dialysis for the past 7 years. She took this in stride. She referred to her treatments as “work”, and her weekly test results as her “report card”. She made many friends there over the years, and became close to them and the staff. She always had stories to

tell, and such positive things to say about them.

She is survived by three brothers; Myrvin (Joan) of Woodburn, Oregon, Michael of Vancouver, Washington and Mark of Phoenix, Arizona. As well as many nieces and nephews. She is preceded in death by her Mother and her Father. She will be greatly missed.

At Marcia's request, no service will be held. If you wish to make a remembrance in her name, she supported the Humane Society throughout her life.

I worked with Marcia for many years at GTE. She was a dear friend and had such a good heart. I visited her at her Glass Shop and had so much fun recalling events from work. We went to Neil Diamond concerts. I was very sad to hear of her passing. Rest in peace Marcia

“ *I had the pleasure to work with Marcia for several years. She would occasionally reminisce about how she loved growing up on a farm. I witness countless examples of Marcia's big heart and caring demeanor. Her affinity for her beloved pets was apparent and often the subject conversation. She adored her Brothers and always had good things to say about them. She will be missed. God bless you Marcia!*

“ *Marcia loved crafts and stickers. I still have a box of stickers from my childhood, many of which were gifts from Marcia. Recently Marcia sent me some "virtual stickers" to use on my phone. Marcia loved the idea of homemade crafts; especially card making. When cleaning out her apartment last week we found many crafting items. We gathered several boxes full and were able to donate them to two senior living facilities in Newberg. I know she would have been happy to know that many seniors will get so much joy in using the supplies donated. Thank you Marcia for you kind heart!* ”

“ *Have great memories of the summers she would come back to our farm. Loved sharing photos and letters with her while raising my kids. She always loved hearing about them. Haven't seen her since Dad's funeral but kept in touch with Facebook. She always had a smile and a great laugh. Rest In Peace with the rest of the Chose family. Love you* ”

“ Our condolences to the family of Marcia. I am her cousin in Minnesota along with my brother, Kevin and sister, Jennifer. I had some wind farm projects in Oregon back in 2007-2010 so was able to visit with Marcia, Myrv, and Mike several times when I was in Oregon.
